Message #146

## **We've been hacked!!**

**On Monday, October 21<sup>st</sup>, 2024, our emails were once again hacked. (Note: this happened about 2 years ago, too!) We believe about 150 emails went out to various NAAFA members and also some personal friends.**

**From reports we are getting, the subject line reads: FAVOR**

**The email then asks if you shop on Amazon.**

**THIS IS THE HACKING EMAIL WE ARE TALKING ABOUT.**

**DELETE IT IMMEDIATELY!**

**We were told by one member that he did respond to this email and the hacker asked the member to get him/her a gift card. Same old story. It's a fraud. Don't respond.**

**IF YOU HAVE ANY QUESTIONS AT ALL, PLEASE TRY TO REACH ME AT MY DIRECT LINE: 763-786-0700.**
